Participar	nts:											
Item / Order / Position	Quantity / Unit (hrs, m², days etc.)	Description of complete / partial s	service	Delivery	Installation	Commissioning	Testing	Delivery to Customer			CT	
	uays etc.,					Comi				<b>DEFECT</b> Yes / No		
re: item	m Delivery of documents, plans etc.											
re: item	Comments regarding defects or/and uncompleted service									Due Date:		
		other defects see enclosure	number of pages:			_						
During the inspection the a.m. defects were found. These defects have to be rectified immediately or within the agreed deadline. In case subcontractor does not rectify the defects within this time frame LWB may decide to rectify the defects or contract the rectification to a third party. In this case the obligation for warranty or compensation for damages still remains with the subcontractor.												
The acceptance of the service is refused because of the mentioned defects.												
	LWB reserves the assertion of the agreed contractual penalty.											
	The service are accepted subject to rectification of the a.m. defects.
